GOSPEL ACCORDING TO MARK

PART 1

On hearing this, Jesus said to them, “It is not the healthy who need a doctor, but the sick. I have not come to call the righteous, but sinners.”

- Mark 2:17 -

WHO IS THIS MAN?

To answer the question of “who is Jesus?”, we need not look any further than the Christmas story itself. We are told clearly that this Jesus is Emmanuel - God with us. That he is the eternal Word of God who took on flesh and came to dwell amongst us. So I guess the obvious question as we begin this study is, “do we need to bother reading past chapter 1 of the gospel accounts?” If we know who Jesus is from the Christmas story, “Do we need anything more?” Well yes, I think we do... The Christmas story does tell us who Jesus is. But as we read on, as we’ll see this year in the gospel according to Mark, we are told some vital things about who this man Jesus really is - more than just his name.

By studying through the stories of Jesus’ life, death and resurrection we get to know him deeper; his personality, what he loves and hates, his passions, whether or not he is a man of integrity, etc. And so, these things tell us about Jesus’ character. But we also learn about his purpose. Each of the gospel authors use variations of the same idea to describe Jesus’ purpose, but Mark quotes Jesus as saying, “It is not the healthy who need a doctor, but the sick. I have not come to call the righteous, but sinners” (2:17). This tells us that Jesus has come to heal, restore, and make things right. We grow in our understanding of these truths on each page of the story - as Jesus shows us again and again that he has torn heaven open and brought it to earth. But we only grasp these truths with clarity if we follow the story through, as we see him go to the cross, conquer death, and rise to new life. In these things we discover whether or not he really is Emmanuel - God with us.

This study will offer many insights into whether Jesus is who his name claims to be. But ultimately the only way to get to know Jesus deeply is by spending time with him. And so I pray that as you study, you would allow Holy Spirit to draw you close and reveal Jesus to you afresh.

God bless you,
